

The Japanese Society of Child Neurology Call for Papers

The 30th Annual Meeting of the Japanese Society of Child Neurology (JSCN) will be held at the Tokushimaken Kyodobunkakaikan, Tokushima, from 9th to 11th June, 1988.

1. All the foreign members of JSCN are encouraged to attend the Meeting and are welcome to submit papers.
2. Acceptance will be based entirely upon quality. The papers accepted will be classified into two categories, namely platform sessions and poster presentations, according to the decisions of the Program Committee.
3. Presentations should be either in Japanese or in English. Simultaneous interpretation is not provided.
4. Those who want to present a paper must submit an abstract not exceeding 200 words to the Program Chairman, not later than 9th January, 1988.

Send abstracts and correspondence to:
